

Paper Eagle Wings Activity Sheet

You will need:

- Scissors
- 5+ sheets of craft paper or regular paper
- Glue stick
- Markers or pencil crayons

Instructions:

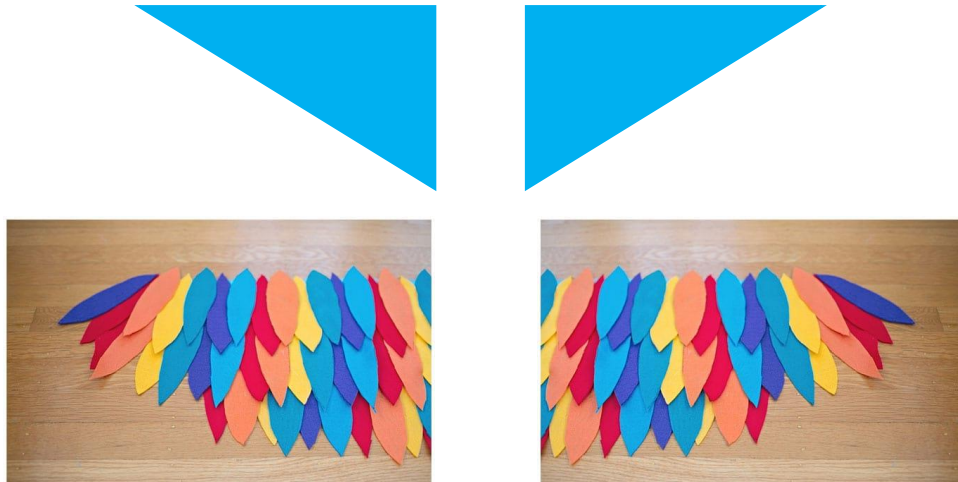

1. **Set aside one sheet of paper.**
Draw feathers on the rest of your paper and cut them out.

2. Take the sheet you set aside and **cut it in half diagonally.**

- 3. Glue your feathers onto the triangles of paper.** Keeping your triangle in these positions (the blue triangles), glue one layer of feathers along the bottom. Next, glue a second layer, slightly higher. Refer to the colourful pictures below for guidance. Continue layering your feathers until the triangle is covered.

- 4. Option:** Write the names of your family and friends onto the feathers. Colour or decorate your wings as much as you'd like!
