

## Climbing Shadows Poetry Activity Sheet

You will need:

- A pair of scissors
- A pen, pencil, or marker of any colour
- 2-3 sheets of paper

1. Using your pen, pencil, or marker, **answer the following questions** on the paper provided. Only **write on one side** and write a little bigger than you usually do! You may need more paper depending on how big you write.

What are you five favourite places in the world?

Can you name five objects, or people that are in those two of those places?

Name five things you can hear, five things you can smell, and five things you can see in each of your five favourite places.

2. Using your scissors, **carefully cut out each word**. You can make them any shape you'd like.
3. Start with 5-10 words at random and try to make a sentence or a poem. **Add or change as many words as you'd like until you're happy with what you've written**. If you're stuck, imagine making a poem for a friend or family member.
