

## NLLS Reading Program

### Family Take & Make Kits

#### Mason Jar Lanterns

Here's what you need to make one (items in red are not in your kit)

- White glue or Mod Podge
- Mason Jar
- Foam Brush
- Tissue Paper (blue)
- Glitter
- Sequins (silver or white)
- Pipe Cleaners (2)
- **Scissors**

## Instructions:

Put glue or mod podge over the outside of the jar and then attach the tissue paper squares. Cover the whole jar with tissue paper and apply optional coat of Mod Podge.

After the project is dry apply glue and attach sequence and glitter as desired.

Let the project dry, Then attach the pipe cleaners to the jar.
