

## NLLS Reading Program

### Family Take & Make Kits

### Toothpick Towers

Here's what you need to make one (items in red are not in your kit)

- Mini Marshmallows
- Toothpicks
- Gummy worms
- Gummy bears
- Playdough balls
- Grapes
- Foam pieces

## Instructions:

To create towers with toothpicks, you need to provide some type of material to hold the toothpicks together. The fun thing is that you can use **LOTS** of different materials.
